

Minutes of the Convergence Meeting held by District Collector, Anantapur on 06.07.2010 at DWMA Conference Hall, Anantapur

The District Collector at the outset informed to all Officers that it is scheduled to organise the Birthday celebrations of late Dr. Y.S Rajasekhara Reddy, Former Chief Minister of A.P, on 8.7.10 at Lalithakala parishad, at 6.30 PM. For this it has been informed that tomorrow i.e. on 7th at 7.00 PM one coordination meeting with all the district officers is proposed to discuss about the arrangements to be made and instructed to prepare charts and posters relating to the developmental activities of their department to organise exhibition at the venue.

After which the District Collector briefly explained the training at Ninital organized to all District Collectors and Secretaries on Inclusive management and Community mobilization with public participatory mechanism . In this regard it has been opined that keeping in view of the background of Annatapur District, Total sanitation, Family planning, Housing, Solid waste management, plantation programmes and Water management are the fields identified to adopt the new concepts learned in the training. The District Collector instructed that

- ❖ Social Audit is one of the guidelines framed in NREGS act and no one to overlook it. Keeping in view of this importance, Social audit to be spread up to habitation level. For this the Special Officers, MPDOs and Tahasildars to visit 2 to 3 villages on each Friday visits to villages separately, so that in a cycle of 2 to 3 months all villages can be covered.
- ❖ After completion of Social Audit the follow up action is very important and to be done in pucca way. Third Party participation is a must in Social Audit process. Fully transparent Action taken reports give strength to the Officers to discharge duties with new enthusiasm.
- ❖ The APDs of DWMA to generate and handover the wage earners list one day in advance to the Special Officers before the Surprise visits to Villages to pro active disclosure of information and to capture any defects in the mechanism.
- ❖ The housing beneficiaries lists to be readout loudly in the gram sabhas. The toilets constructed to be made functional 100% by awaking the public on the importance of sanitation.

After that it has been informed that it is decided to take up TOTAL SANITATION programme in the District with GO NGO participation with PRA approach (Participatory Rural Appraisal) and also with GO NGO model. For this it has been instructed to participate all Officers by electrifying lectures in creating awareness among rural public by explaining the health hazards of open defecation , and the medical expenditure met by the families for treatment of diseases. The AWW, VROs, PS, VS, Asha workers, Sarpanchers,

Field Assistants, Work mates, Adarsharuthus, Vidazya volunteers and enthusiasts youth groups may be involved for motivating the public to go for ISIs and also to see that the concept to reach 100% to the public. It is decided to commence the programme by 9.8.10, and decided to cover 100 habitations with total sanitation programme by the end of October 2nd of this year.

After that the District Collector requested each department / NGO to explain the tentative action plan to achieve the above fixed target. For this the Officers / NGO expressed the following opinions on par with the active involvement of the departmental village level functionaries in the programme .

1. To select the habitations based on some parameters like 100 % covered by SHGs/ literacy like that.
2. To select the GPs having no habitation as GP is the criteria for Nirmal Gram puraskar .
3. To prepare documentaries under IEC campaign model.
4. To make use of SHG net work totally to reach the message to public.
5. To inculcate the habit of using toilet gradually in public .
6. To select each habitation in all mandals by the RDOs.
7. To conduct door to door survey on the existing hygienic practices of the family.
8. To saturate any village already under coverage by any NGOs or Officers immediately.
9. To use the services of youth clubs in awaking the rural women, as woman is perceptive to the family.
10. To involve the students in a high potency , being sensitive group to aware the parents .
11. Housing programme to be tied up to this total sanitation campaign.
12. To involve the Slum level Federations in urban context.

The District Collector briefly reviewed the Municipal Commissioners regarding the Drinking water position, public health, sanitation, transport regulatory activities etc. It has been instructed to develop the Guntakla Municipality as a model municipality. And also instructed to be in 100% in all parameters, like in SHG bank linkage , Repayment in SHG, Drinking water supply and sanitation. It is also instructed to utilize the 13 Finance funds for the development of Municipalities.
